Editors, Webmasters, Marketing Leaders

Register now for a [DKG International Conference](#). Each conference will feature a breakout session with a panel of experts with current information for anyone interested in learning more about newsletters, websites and marketing. Panelists will give tips, answer questions, and listen to feedback. This session will be offered by the International Communications and Marketing Committee at all locations. Plan to attend the conference featuring your area of interest.

Get to Know the DKG 365 App

Members may have used the DKG App for conventions in the past. The International Society is now happy to announce that you can access DKG International any time using your smart phone with the DKG 365 App. Find out about coming events, learn the latest news, check deadlines, access DKG sponsored tours, and much more. You can even access the *2018 Constitution* and *International Standing Rules* right from your phone. The app is relevant and up to date year-round and only available to members.

The app has two parts. The newest part brings the key elements of the website right to your phone. This part will give members basic information, news, updates, etc. that they would normally go to the website to find, but in a format more accessible than the website on their portable devices.

The convention portion of the app will still be available to serve as a reference tool to plan conference or convention experiences. It will include hotel maps, daily schedules, keynote speakers, discussion boards, and special events. Members using the app will be able to feel more connected and informed about events, whether they are in attendance or not.

If a member needs to find out about a grant application, wants to submit an entry to the Arts and Humanities Gallery, or contact DKG, the information is as near as your phone. When you meet a prospective member, take out your phone and show the Society's Mission and Purposes. Even better, share pictures of members on the photo page. In fact, all members can post photos of chapter, state, and international events right to the app.

Many people use a smartphone or mobile device for almost everything from paying for merchandise to planning a vacation. Join the new generation of connected DKG members and download and use the DKG 365 App.
