

**Letter from the Europe Regional Director**

Dear DKG colleagues

**International Conference** The planning for the conference in Reykjavík 25<sup>th</sup>-27<sup>th</sup> July 2018 is in full swing. The European Forum is planning some activities but will make decision in January. From December 10<sup>th</sup> there will be some information on the conference page, <https://dkgerc2019.weebly.com/> and on the European website. Gradually we will have more information.

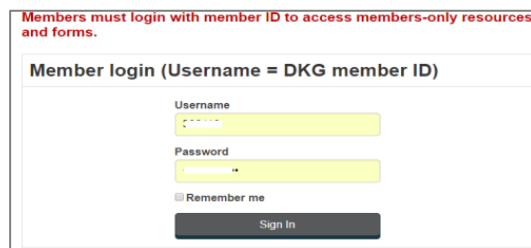

At the **Forum Committee** meeting in Germany, in the beginning of November, there were very good discussions about how we in Europe can connect, influence and support each other. It is very important that we find a way to communicate. The variety of means of communication has not made it easier as one would have thought. It is important that we build a bridge between the countries and each other in some ways.

**Survey** The Forum chair asks all the members to take part in this survey about Euforia, our newsletter in Europe on the European website, which is open until December 20<sup>th</sup>, <https://goo.gl/forms/tkVD8kAKJWswxfXx2>

**Leadership Training** There will be leadership training before the conference in Iceland this summer. The training sessions will start on the 24<sup>th</sup> for the presidents and on the 25<sup>th</sup> for others. The presidents will have to arrive on the 23<sup>rd</sup> to start the training in the morning of the 24<sup>th</sup>. Those who are taking on some work for the Society next biennium have to arrive for the training which starts either in the morning or after lunch on the 25<sup>th</sup>.

**MyDKG** All members are now encouraged to their password on the member part of the international website. If you don't know your member ID, the treasurer will help you find it. very important for the changes the HQ are introducing this spring. In the future all members will be able to update their information. Further information is in the publication from the International Communications and Publicity Committee, [Get Connected](#).

I wish all the members in Europe all the best for the Advent. This time of the year is for me very enjoyable, with lots of concerts, family and friends gatherings, cosy evenings with candlelight and good music. I am looking forward to working for and with you in the coming year.
